APPLICATIONS

ERADICATE II is a water-based spot and stain remover. It contains degreasers and surfactants which rapidly clean all types of spots and stains without damaging carpet fabrics. ERADICATE II also has an odor modifier which destroys noxious odors, leaving behind a pleasant fragrance. Its upside down spray valve is quick and easy to use while standing up.

DIRECTIONS

Can sprays upside down only. Remove protective cap. Shake well. Hold can upside down. Point opening in spray tip towards spot or stain. Depress the tab on the top of the spray tip to spray. Hold can at arm's length. It is not necessary to bend down to apply this product. Apply in short bursts until spot or stain is covered. Allow a short period of time for spotter to penetrate stain. Blot spot with a clean cloth, working from center of stain out. Stain or spot will be gone in seconds. Excessive deposits of grease, oil or ink may require additional applications. Wait until material is dry before reapplying.

Although this product will not harm most carpet fabrics, the carpet needs to be tested for color fastness prior to using. To test for color fastness, spray small area of carpet in a hidden or out of the way spot and let dry.
