- ✓ Decreases Bacteria on Skin
- ✓ Effective Against a Wide
Variety of Germs
- ✓ Formulated with Aloe and
Vitamin E
- ✓ Pleasant Floral Fragrance

APPLICATIONS

FOAMACIDE foaming antibacterial hand soap offers superior cleaning ability, plus the germ-fighting power of Triclosan. It dispenses as a liquid and foams on contact with skin, providing hands with a soft, smooth feeling, while at the same time decreasing bacteria on the skin.

Areas of Use For FOAMACIDE: industrial facilities, food service institutions, printing shops, paint and body shops, restaurants, construction companies, manufacturing facilities, hospitals, waste water treatment plants.

DIRECTIONS

Apply a small amount of FOAMACIDE, covering entire hands with product for 30 seconds. Add water, lather and rinse.
