- Anywhere Stainless
Steel Needs Polishing
and Cleaning

SHINY Stainless Steel Polish & Cleaner Wipes is especially formulated to quickly clean and polish all stainless steel surfaces. Each SHINY wipe contains a unique citrus-based formulation that reduces oxidation and corrosion. It also has a pleasant citrus smell. SHINY removes hard water stains and deposits, grease smudges, food residue and fingerprint smudges from virtually any stainless steel surface. While cleaning, SHINY's formula also brightens, polishes and protects the surface with a clear coating that acts as a protective shield.

- ✓ Quickly Cleans, Polishes & Protects Stainless Steel Surfaces
- ✓ Prevents Water Marks & Corrosion
- ✓ Cleans Other Surfaces Such as Wood, Formica, Ceramic and Porcelain

APPLICATIONS

SHINY Stainless Steel Polish & Cleaner is a new generation towel that is 200% stronger than other towels. SHINY's citrus-based formula removes hard water stains and deposits, grease smudges, food residue and fingerprint smudges from virtually any stainless steel surface. SHINY's abrasive surface quickly cleans and shines without affecting the surface being cleaned. Flip each SHINY towel over for a softer surface for additional polishing. SHINY can also be used to clean other surfaces such as wood, formica, ceramic and porcelain. It removes stains and polishes and brightens these surfaces to revitalize them and keep them looking great.

DIRECTIONS

For Dispensing

1. Remove lid by lifting upward.
2. Pull towel from center of the roll and thread through "X" on the underside of the lid.
3. Close lid. Pull towel from canister at 90° angle.
4. Snap hinged cap back into place to ensure towels stay moist.

Directions For Use

Scrub surface with abrasive side of towel until stains and deposits disappear. Use the smooth side to wipe the surface clean. Discard used towel. For a super shine, buff lightly with a soft towel after application.
