APPLICATIONS

LIFT-UP is a powerful industrial carpet spot remover. Its unique formula instantly dissolves organic stains such as coffee, soft drinks, juice, food and blood, among others. LIFT-UP is ideal for high-traffic areas, as it leaves no soil-attracting residues behind. Places of use for this product include: hotels/motels, hospitals, office buildings, nursing homes, schools, municipalities, institutional buildings and anywhere carpet stains are a problem.

DIRECTIONS

Organic, Sugar and Protein Stains: Soak the stained area with LIFT-UP, then press liquid into carpet and backing. Let LIFT-UP sit for a few minutes, then blot out stain and any excess liquid with a clean, absorbent cloth. If stain returns, please repeat application, allowing the product to soak for at least ten minutes. Then, extract with clean water.
