

NITTY-GRITTY

Multi-Purpose Hand-Cleaning Wipes with Grit

NITTY GRITTY hand-cleaning wipes with added grit remove grease, tar, ink, paint and many other hard-to-remove soils, eliminating the need for water and towels. It conditions hands with aloe vera, glycerin, vitamin E, jojoba and wheat germ extract, contains an antiseptic agent, and does not contain any harsh solvents. NITTY-GRITTY may also be used to clean most any non-porous surface, such as tools and other equipment. The heavy-duty wipe contains a grit on one side for more scrubbing power. It absorbs soils from hands and other surfaces and keeps them suspended for easy removal.

- ✓ **Highly Effective Portable Hand Cleaning System**
- ✓ **Grit Added for Maximum Cleaning Power**
- ✓ **Ideal for the Worker on the Go**
- ✓ **Contains Aloe, Glycerin, Vitamin E, Jojoba, Wheat Germ Extract and an Antiseptic Agent**

APPLICATIONS

NITTY-GRITTY hand-cleaning wipes with grit are tough on soils, but gentle on the skin. Its uniquely textured towel with added grit accelerates cleaning action and eliminates the need for water and towels. NITTY-GRITTY's patented, easy open and close dispenser and compact, lightweight packaging makes it a perfect cleaner for workers on the go, print shops, auto repair shops and many other places.

DIRECTIONS

FOR DISPENSING: Remove container cover and thread one wipe from center of roll through the pre-cut slot. Replace cover. Pull wipes at an angle to dispense. Always close lid tightly after use and store at room temperature.

FOR USE: Wipe hands or surface to be cleaned completely and dispose of the used towel.
