...setting performance
standards worldwide...

APPLICATIONS

REMOVZ bathroom cleaner towels are safe to use on: grout • painted metals • porcelain • rubber • fittings & equipment • stainless steel • plastic • imitation marble • ceramic tile • brass • anodized metals • fiberglass • copper • chrome fixtures

DIRECTIONS

Daily use of this product is recommended. Use rubber gloves. Open and unfold towel to full size. Use abrasive side of towel to scrub and instantly clean affected areas. Rinse well with clean water. Repeat if necessary.

Directions for Dispensing:

Remove lid from container. From center of towel roll, pull up a towel corner, twist into a point and thread through the "X" hole in the underside of the lid. Pull towel through

about one inch. Replace lid on container, assuring a secure fit. Pull out first towel and snap off at 90° angle. Remaining towels feed automatically for next use. Always reseal hinged cap after each use to ensure moisture retention.
