APPLICATIONS

This product provides up to 4 hours of protection from Mosquitoes, Black Flies, Sand Flies, Gnats, Chiggers, Fleas, and Ticks. Convenient, easy to use towelette allows quick and thorough application to skin, hair, and clothing for maximum protection.

DIRECTIONS

Read and follow all directions and precautions on this product label.

Wipe and spread evenly to moisten all exposed skin. Use just enough repellent to cover exposed and/or clothing. Avoid over-application of this product. Frequent reapplication and saturation of clothing are unnecessary for effectiveness. When using on face, apply sparingly, avoiding eyes and mouth. Apply sparingly around ears. Do not allow children to handle this product. Do not apply to eyes and mouth. Do not apply to children's hands. When using on children, apply to your own hands and then put it on the child. Do not apply over cuts, wounds, or irritated skin. Also apply to clothing such as shirt, pants, hat, and socks. Do not use under clothing. For Chiggers and Ticks, apply to shirt and pant cuffs and socks.

After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this repellent product with you.

NOTE: Will not damage cotton, wool, or nylon. Do not apply on or near acetate rayon, Spandex or synthetics other than nylon, furniture, plastics, watch crystals, leather and painted or varnished surfaces (including automobiles).

DIRECTIONS FOR DISPENSING:

Remove lid. Pull towel from center of the roll and thread through underside of lid. Do not push finger through lid opening. Pull towel at 90° angle. Snap hinged cap back into place so towels stay moist.
