SS MAGIC

Stainless Steel Cleaner

Ideal For Use On:

- Stainless Steel
- Aluminum
- Chrome
- Copper
- Brass
- Most Metal Surfaces

ATCO's SS MAGIC maintains a bright, spotlessly clean finish on stainless steel and most metal surfaces in kitchens, restaurants, offices, hospitals, hotels & motels, factories and in many other areas. It easily removes tough oil-based stains, as well as water spots, spills and soils of food origin. SS MAGIC polishes as it cleans, leaving a unique coating which resists further soiling, water marks and rusting.

- ✓ Cleans, Polishes, Brightens & Preserves the High Luster of Stainless Steel Finishes
- ✓ Removes Fingerprints, Grease and Water Spots
- ✓ Leaves Behind a Durable Soil-Resistant Coating
- ✓ Also Effective on Aluminum, Chrome and Brass

APPLICATIONS

SS MAGIC is an excellent cleaner formulated for use in hospitals, schools, offices, restaurants, hotels & motels, restrooms, factories and institutions. It cleans, brightens, polishes and protects stainless steel and most metal surfaces. It also is effective for use on aluminum, chrome and brass. It removes smudges, soils and stains quickly - no hard rubbing is required. SS MAGIC actually forms a shield that resists further soiling, water marks and rusting.

DIRECTIONS

Shake can well before using. Hold can 6-12 inches from surface to be cleaned. Spray product sparingly and wipe clean. Polish area immediately with a dry cloth or paper towel. SS MAGIC may also be used to clean chrome, aluminum and brass.
