## Odor Counteractant

### Use Almost Anywhere!

- Hotels & Motels
- Restrooms
- Restaurants
- Public Buildings
- Schools
- Locker Rooms
- Nursing Homes
- Hospitals
- Garbage Receptacles
- Smoking Areas
- Anywhere Odor  
is a Problem

WRAPPED IN COTTON is an industrial strength odor counteractant designed to be used in areas with extreme malodors. It neutralizes malodors and replaces them with a cotton fresh fragrance.

- ✓ Effectively Neutralizes  
Malodors
- ✓ Long Lasting
- ✓ Concentrated For Economy

*...setting performance  
standards worldwide...*

# APPLICATIONS

WRAPPED IN COTTON effectively eliminates offensive airborne odors in seconds including:

- Tobacco Smoke
- Bathroom Odors
- Sick Rooms
- Pet Odors
- Trash Containers
- Laundry Areas
- Cooking Odors
- Basements
- Skunk Odors

Does not just mask odors. Non-aerosol pump spray. No propellants. Just one or two sprays will clear away odors.

**More than 1500 sprays in every can.**

**Places of Use:** • Nursing homes • hospitals • hotels and motels • schools • daycares • animal and vet clinics • maintenance departments • industrial plants • apartment complexes • anywhere odor is a problem.

Caution: Not for personal use. Use only as instructed. Do not overspray. If sprayed on sensitive skin or in eyes, flush thoroughly with water at least 15 minutes.

KEEP THIS AND ALL AIR FRESHENERS OUT OF REACH OF CHILDREN.

COMBUSTIBLE: Do not use or store near heat, sparks or open flame. Contains petroleum distillates, fragrance and odor neutralizer.
