# BERIRAMA

## Berry Scented Metered Mist Odor Neutralizer

### Ideal For Use In:

- ✓ Hotels and Motels
- ✓ Restrooms
- ✓ Restaurants
- ✓ Public Buildings
- ✓ Locker Rooms
- ✓ Schools
- ✓ Nursing Homes
- ✓ Hospitals
- ✓ Closets
- ✓ Offices
- ✓ Anywhere Odor is a Problem

BERIRAMA can be used in most timed, automatic metering dispensers. These dispensers activate the special metered valve at predetermined intervals, releasing a spray of BERIRAMA that stays suspended in the air longer for maximum odor control. Upon release into the air, BERIRAMA's unique odor counteractant immediately merges with and eliminates offensive odors while leaving behind a pleasant and refreshing atmosphere. One can of BERIRAMA adequately freshens a room of 30' x 20' x 10' for up to 30 days.

- ✓ Effectively Neutralizes and Deodorizes Office, Smoke, Restroom, Garbage and Food Odors
- ✓ No Messy Fallouts - Totally Dry Spray
- ✓ Non-Staining
- ✓ Freshens a Room of 30' x 20' x 10' For up to 30 Days

...setting performance  
standards worldwide...

## APPLICATIONS

BERIRAMA contains ultra fine particles, has no fall out and leaves no residues when applied to textiles or carpets. This product contains no ozone depleters. In fact, it contains less than 30% total VOC content. The fragrances have been formulized to ensure superior olfactory notes and tones. A dual system quickly neutralizes malodors with industrial strength, even on smoke, decay, urine, feces, solvent, vomit, cooking, animals and more.

Also featured is a new, universal, non-proprietary actuator for use in most available metered mist machines. The metered valve delivers precise spray volumes in an ultra fine mist to effectively freshen a room of 30' x 20' x 10' for up to 30 days. Although versatile enough to use virtually anywhere, suggested uses include freshening bath and washrooms, showers and garbage receptacle areas, in hotels, restaurants, hospitals, apartments, schools, nurseries, fitness centers, commercial and institutional buildings, animal clinics, nursing homes and more.

## DIRECTIONS

Mount ATCO's Auto Meter Dispenser at eye level and away from doorways. Hand-spray BERIRAMA several times into the air before mounting into dispenser to prime the local area.
