BLOCKBUSTER

Extra Heavy-Duty Industrial Deodorant Block

BLOCKBUSTER is the most effective and economical space deodorant money can buy. This product is made from 100% organic ingredients.

...setting performance
standards worldwide...

- ✓ **The Perfect Powerhouse For Sewers, Elevator Shafts, Dumpster Areas, Garbage Collection Areas and Water Treatment Facilities**
- ✓ **Unique Mesh Hanger For Safe, Convenient Mounting**
- ✓ **Fights Odors Up To 14 Weeks**
- ✓ **Proven Air-Activated Odor Fighter**

APPLICATIONS

BLOCKBUSTER is made from pure, long-lasting paradichlorobenzene that has been saturated with the finest liquid deodorants available. Every block is 100% deodorant and is individually wrapped.

BLOCKBUSTER is specially formulated for deodorizing sewers, elevator shafts, dumpster areas, garbage collection areas, industrial plants, water treatment facilities and anywhere a strong, undesirable odor needs to be eliminated.

DIRECTIONS

Unwrap individual BLOCKBUSTER block and mount, using mesh hanger, in central location nearest to odor source. BLOCKBUSTER will uniformly provide superior deodorization for up to 14 weeks.
