APPLICATIONS

CLEAN HANDS non-alcoholic foaming instant hand sanitizer is powerful enough to kill 99.99% of most common germs that cause illness within 15 seconds of application, including MRSA. It requires no water...simply apply product to hands and rub briskly until dry...and contains Glycerin for conditioning and moisturizing.

Areas of Use For CLEAN HANDS: industrial facilities, food service institutions, municipalities, printing shops, office complexes, restaurants, construction companies, manufacturing facilities, hospitals, hotels and motels, public buildings, schools, correctional facilities, wastewater treatment plants and other places of business where there is a need to reduce the spread of bacteria.

DIRECTIONS

To decrease bacteria on skin, apply a small amount to palm of hand. Rub hands together briskly until dry. Recommended for repeated use to help reduce bacteria on skin. For use with ATCO's Clean Hands Auto Dispenser.
