COOL BREEZE

Linen Fresh-Scented Metered Mist Odor Neutralizer

Ideal For Use In:

- Hotels and Motels
- Restrooms
- Restaurants
- Public Buildings
- Locker Rooms
- Schools
- Nursing Homes
- Hospitals
- Closets
- Offices
- Anywhere Odor is a Problem

COOL BREEZE can be used in ATCO's Auto Meter Dispenser, as well as most timed, automatic metering dispensers. These dispensers activate the special metered valve at predetermined intervals, releasing a spray of COOL BREEZE that stays suspended in the air longer for maximum odor control. Upon release into the air, COOL BREEZE's unique linen fresh-scented odor counteractant immediately merges with and eliminates offensive odors while leaving behind a pleasant and refreshing atmosphere. One can of COOL BREEZE adequately freshens a room of 30' x 20' x 10' for up to 30 days.

- ✓ Effectively Neutralizes and Deodorizes Office, Smoke, Restroom, Garbage and Food Odors
- ✓ No Messy Fallouts - Totally Dry Spray
- ✓ Non-Staining
- ✓ Freshens a Room of 30' x 20' x 10' For up to 30 Days

APPLICATIONS

COOL BREEZE is a linen fresh-scented metered mist odor neutralizer that is used in automatic metering dispensers. Its uniquely blended pure premium fragrance with odor counteractant eliminates odors and leaves the air fresh, without CFC's or ozone depleting substances.

COOL BREEZE is ideal for use in office reception areas and conference rooms, hotel/motel lobbies, restaurant lounges, hospitals, clinics, restrooms, or wherever you wish to create a fresh and clean atmosphere.

DIRECTIONS

Mount ATCO's Auto Meter Dispenser just above eye level and away from doorways. Hand-spray COOL BREEZE several times into the air before mounting into dispenser to prime the can and to leave an immediate fresh fragrance in the local area.
