CUCUMBER MELON

Melon-Scented Metered-Mist Odor Neutralizer

Use Anywhere:

- Hotels & Motels
- Waste Water Treatment Facilities
- Restrooms
- Restaurants
- Public Buildings
- Schools
- Gyms & Locker Rooms
- Nursing Homes
- Hospitals
- Garbage Receptacles
- Smoking Areas
- Anywhere Odor is a Problem

CUCUMBER MELON Melon-Scented Metered-Mist Odor Neutralizer can be used in ATCO's Auto Meter Dispenser, as well as most timed, automatic metering dispensers. These dispensers activate the special metered valve at predetermined intervals, releasing a spray of CUCUMBER MELON that stays suspended in the air longer for maximum odor control. Upon release into the air, CUCUMBER MELON's unique melon-scented odor counteractant immediately merges with and eliminates offensive odors while leaving behind a pleasant and refreshing atmosphere. One can of CUCUMBER MELON adequately freshens a room of 6,000 cubic feet for 30 days.

- ✓ Pleasant Melon Fragrance
- ✓ Effectively Neutralizes and Deodorizes Office, Smoke, Restroom, Garbage & Food Odors
- ✓ No Messy Fallout - Totally Dry Spray & Non-Staining
- ✓ Freshens Rooms up to 6,000 Cubic Feet For 30 Days

APPLICATIONS

CUCUMBER MELON is a melon-scented metered mist odor neutralizer that is used in automatic metering dispensers. Its uniquely blended pure premium fragrance with odor counteractant eliminates odors and leaves the air fresh, without CFC's or ozone depleting substances.

Each can of CUCUMBER MELON contains 3,900 controlled sprays for use in closed areas that will last for approximately 30 days when used on a 24-hour basis or 60 days if used 12 hours per day when set to dispense every 15 minutes.

CUCUMBER MELON is ideal for use in office reception areas and conference rooms, hotel/motel lobbies, restaurant lounges, hospitals, clinics, restrooms, or wherever you wish to create a fresh and clean atmosphere.

DIRECTIONS

Remove protective cap and install product into ATCO's Auto Meter Dispenser. Dispenser should be mounted 7 feet from the floor and at least 8 feet away from exposed floors. Position the dispenser so that the concentrated spray will not hit people, animals, foods, drinks, feeds, food processing surfaces, or solvent-sensitive surfaces (such as polished or varnished materials). Use only in well-ventilated areas. Avoid inhaling spray mist or vapor.

Hand-spray CUCUMBER MELON several times into the air before mounting into dispenser to prime the can and to leave an immediate fresh fragrance in the local area.

TECHNICAL DATA

Fragrance: Melon
Appearance: Clear mist
Flammability: Flammable
