APPLICATIONS

DEW-DROPS Scented Gel Urinal Screen Deodorizer eliminates odors in restroom urinals, while at the same time releasing bacteria to optimize cleaning. Each DEW-DROPS contains 10 times more fragrance than the normal vinyl urinal screen. Its fresh fragrance eliminates odors, reduces splash back and gradually releases fragrance for 30 days, while cutting cleaning time by up to 50%. DEW-DROPS' flexible, translucent gel screen allows full view of the urinal drain to ensure optimal flow while trapping debris. It is VOC compliant, releases beneficial bacteria, is an outstanding odor counteractant and provides a pleasant fragrance for restroom areas.

DIRECTIONS

Remove gel screen from sealed plastic pouch. Position new screen in urinal drain area for continued cleaning and deodorization. Each DEW-DROPS releases fragrance and bacteria for 30 days, cleaning the urinal and providing a fresh fragrance to the restroom.
