APPLICATIONS

Planet Green Floor Stripper is an aggressive low odor non-ammoniated wax stripper. It contains no phosphates, no butyl and no caustics and is DfE Recognized for Safer Chemistry.

DIRECTIONS

1. For light or medium wax build-up, dilute 1 part product to 8 parts warm water or hot water. For heavy build-up, dilute 1 part product to 4 parts warm or hot water.
2. Apply the solution directly to the floor scrubbing vigorously with a mop or stripping pad. Allow product to remain on surface for 5-10 minutes.
3. Remove solution with mop, wet vacuum or automatic scrubber.
4. Rinse twice with clean water.
5. Let the floor dry before applying new finish or sealer.
