[epa.gov/dfesaferchoice](http://epa.gov/dfesaferchoice)

Planet Green Tile/Bowl Cleaner is a DfE recognized cleaner and deodorant. It is formulated for use on metal surfaces, porcelain, ceramic tile, plastic surfaces, bathrooms, shower stalls, bathtubs and cabinets. This product also deodorizes those areas which generally are hard to keep fresh smelling, such as garbage storage areas, empty garbage bins and cans, basements, restrooms and other areas which are prone to odors.

- ✓ DfE Recognized
- ✓ Safer Choice - Meets U.S. EPA Safer Product Standards
- ✓ Excellent Descaling Properties
- ✓ Pleasant Mint Fragrance
- ✓ No Irritating Fumes or Mists

## APPLICATIONS

ATCO's Planet Green Tile/Bowl Cleaner is a bathroom cleaner formulated with Lactic Acid, a natural substance derived from fermentation of sugar and Tea Tree Oil, a natural deodorant derived from a native Australian plant. This product is safer to use than aggressive acids, with the same results. It does not produce any irritating fumes or mists and is DfE Recognized for Safer Chemistry.

## DIRECTIONS

For plastic, painted, and soft metal surfaces such as chrome, copper and nickel, spot test on an inconspicuous area before use. Hold container 6-8 inches from surface to be treated. Spray area until it is covered with the solution. Allow product to penetrate and remain wet for several minutes. No scrubbing is necessary. Wipe off with a clean cloth, mop or sponge, or rinse. For cleaning toilet bowls, add 3-4 ounces of this product directly to the toilet bowl. Swab bowl completely using a scrub brush or toilet mop, making sure to get under the rim. Let stand several minutes and flush.

## TECHNICAL DATA

<b>Specific Gravity:</b>	1.01
<b>pH:</b>	2.8
<b>Acidity:</b>	10.0%
<b>Appearance:</b>	Clear colorless liquid
<b>Odor:</b>	Mint
