APPLICATIONS

TILE-NU easily cuts through tough mold & mildew stains which can build up on bathroom tiles, grout, fiberglass, vinyl showers, sinks and toilets. TILE-NU is ideal for kitchens, bathrooms, locker rooms, garbage cans and anywhere else mold & mildew may form.

DIRECTIONS

TILE-NU is safe on most surfaces and cleans mold and mildew quickly with little scrubbing. Turn nozzle to desired position. Direct sprayer away from eyes and face. Spray on TILE-NU, wipe off within a few seconds, then rinse. Repeat if necessary. For tougher stains, light scrubbing may be required. For best results, use TILE-NU on a regular basis to prevent the build-up of mold and mildew stains. For sensitive skin or prolonged use, wear gloves. Wash hands thoroughly after use.

CAUTION: Do not mix with other chemicals, especially those containing acids or ammonia.
