# ZEN GARDEN

## Bamboo Dewy Melon-Scented Metered-Mist Odor Neutralizer

ZEN GARDEN Bamboo Dewy Melon-Scented Metered-Mist Odor Neutralizer can be used in ATCO's Auto Meter Dispenser, as well as most timed, automatic metering dispensers. These dispensers activate the special metered valve at predetermined intervals, releasing a spray of ZEN GARDEN that stays suspended in the air longer for maximum odor control. Upon release into the air, ZEN GARDEN's unique bamboo dewy melon-scented odor counteractant immediately merges with and eliminates offensive odors while leaving behind a pleasant and refreshing atmosphere. One can of ZEN GARDEN adequately freshens a room of 6,000 cubic feet for 30 days.

- ✓ Pleasant Bamboo Dewy Melon-Scented Fragrance
- ✓ Effectively Neutralizes and Deodorizes Office, Smoke, Restroom, Garbage & Food Odors
- ✓ No Messy Fallout - Totally Dry Spray & Non-Staining
- ✓ Freshens Rooms up to 6,000 Cubic Feet For 30 Days

ZEN GARDEN is a bamboo dewy melon-scented metered mist odor neutralizer that is used in automatic metering dispensers. Its uniquely blended pure premium fragrance with odor counteractant eliminates odors and leaves the air fresh, without CFC's or ozone depleting substances.

Each can of ZEN GARDEN contains 3,900 controlled sprays for use in closed areas that will last for approximately 30 days when used on a 24-hour basis or 60 days if used 12 hours per day when set to dispense every 15 minutes.

ZEN GARDEN is ideal for use in office reception areas and conference rooms, hotel/motel lobbies, restaurant lounges, hospitals, clinics, restrooms, or wherever you wish to create a fresh and clean atmosphere.

## DIRECTIONS

Remove protective cap and install product into ATCO's Auto Meter Dispenser. Dispenser should be mounted 7 feet from the floor and at least 8 feet away from exposed floors. Position the dispenser so that the concentrated spray will not hit people, animals, foods, drinks, feeds, food processing surfaces, or solvent-sensitive surfaces (such as polished or varnished materials). Use only in well-ventilated areas. Avoid inhaling spray mist or vapor.

Hand-spray ZEN GARDEN several times into the air before mounting into dispenser to prime the can and to leave an immediate fresh fragrance in the local area.

## TECHNICAL DATA

**Fragrance:** Bamboo dewy melon  
**Appearance:** Clear mist  
**Flammability:** Flammable
